*Foreword*

I am happy to learn that the Annual Report for the year 2017-18 has been published by the office of the Dean Students' Welfare, where the students showcase their talents to explore opportunities at various co-curricular activities. The reflectance of the performance of the students can set milestones that marks the growth of the University, unfolds thoughts and aspiration, and widens the spectrum of skills and strategies in the arena of collaboration. While there is a reasonably good academic environment at the *Uttar Banga Krishi Viswavidyalaya*, the inter-year activities, sports and games, cultural activities have provided the platform for the students to excel in their spirits of talent. The relentless support of the staff and students involved in upholding the colourful fraternity of the University is reflected in this report at the periphery of the campus drive.

I wish all the success for the painstaking endeavor taken for publishing the Annual Report 2017-18, which will be a source of inspiration for the aspirants.

### **Foreword**

*I am happy to put my finishing touches on finalizing of the Annual Report (2017-18) from the desk of the Dean Students' Welfare and its programme while contemplating the task of visualizing Uttar Banga Krishi Viswa Vidyalaya since its inception, i.e., 2001. The report envisages the 'Central Dogma' in the arena of activities of the students during the last year (2017-18) and decentralizing its novelty to extend opportunity to the students to visualize their talent. It is because of their innovativeness, a new shape to the overall personality development of the students may be framed for the near future.*

*I take this opportunity to thank and appreciate my colleagues, supporting staffs and students who are actively involved in the processes while providing true focus to their endeavours. It is again my hope that, this treatise will provide a basis for sensitizing and framing out the forthcoming vision of the University.*

(D. Mukhopadhyay)

## Ganesh Chaturthi Celebration in UBKV-2018

Ganesh Chaturthi is a grand festival observed in UBKV to celebrate the birth of deity Lord Ganesh. Lord Ganesh is worshipped as the god of wisdom, good fortune and prosperity. The actual day of celebration sees a grand observance of the occasion with the active participation of all the teachers, students and staffs.

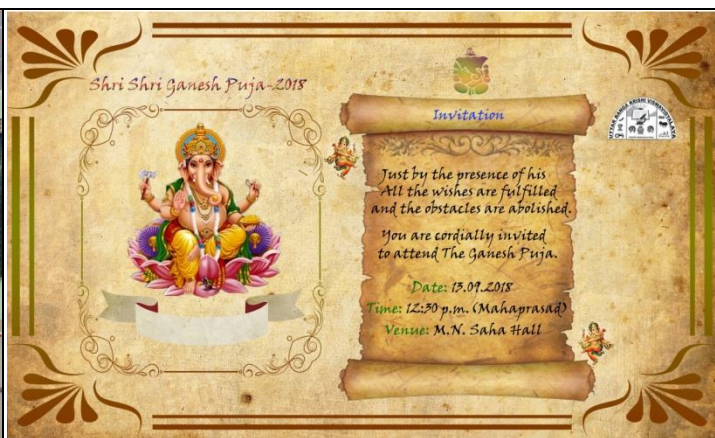

Ganesh Chaturthi in 2018 was celebrated on Thursday, September 13 in the University. The necessary preparations for this sacred festival started a week in advance by the active participation of all the students. All the teachers and staffs were invited by distributing the invitation cards before the commencement of ceremony. Clay model of Lord Ganesh was bought from a local skilled artisan the day before the mega-event. The Ganesh idol was installed in the common room of M.N. Saha Hall of UBKV and the room was decorated with flowers, balloons etc. and some fascinating handmade 'Rangolis'.

The puja started at about 12 p.m. throughout the auspicious ceremony, priest clothed in white dhoti chanted hymns as an act to show reverence. Statue of Lord Ganesh was decorated with colourful flower garlands and loads of sweets, jaggery, modakas and flowers were offered to Lord Ganesh. At the end of 'Puspanjali' during which all offered prayers to Lord Ganesh, 'prasad' was distributed to the devotees. Starting from 12:30 p.m. the "Mahaprasad"

was distributed among all the University teachers, students and staffs as it is believed to have deity's blessings.

The festivity concludes the next day with a great procession where the statue was ceremoniously walked to a water body inside the campus with fervid dancing, cracker-bursting and loud chanting of "Ganpatibhappamorya..." for a solemn goodbye to Lord Ganesh. At the end of the day it was an emotional day for all the devotees.

The joy of Ganesh Chaturthi was celebrated in many ways by ardent devotees on that particular day. Apart from decoration and chanting prayers, in procession and "Visharjan", also the excitement and enthusiasm of the celebration was notable.
