MARCH-2025

**ACTIVITIES & ACHIEVEMENTS OF STUDENTS**

## **MESSAGE FROM THE DEAN, STUDENTS' WELFARE**

As we conclude the year 2024, I would like to take this opportunity to reflect on our collective achievements and challenges, and to express my gratitude for your commitment and resilience. As the Dean, Students' Welfare, it has been a privilege to witness your growth, both academically and personally. The past year has been a period of growth and transformation for both our institution and for each of you as individuals. We have navigated many challenges together. As future leaders in agriculture, you have not only embraced the evolving demands of the field, but also contributed significantly to our vision of fostering environmental stewardship, social responsibility, and agricultural excellence.

2024 was marked by your dedication to both academic and extracurricular pursuits. From leading impactful research projects to participating in farm-to-table initiatives and agricultural festivals, your enthusiasm and hard work were evident. You embraced the idea of learning beyond the classroom, participating in industry collaborations, internships, and volunteering initiatives that enriched your university experience. While the journey hasn't always been smooth, the perseverance and adaptability each of you demonstrated in the face of adversity are the qualities that will serve you well as you continue your academic and professional careers. Throughout the year, we have worked diligently to enhance the student experience, with a focus on improving academic support systems, fostering mental and physical well-being, and ensuring access to resources that facilitate both personal and professional development. The introduction of new initiatives and services aimed at supporting your growth has been a direct response to your feedback and needs.

As we look forward to the year 2025, let us continue to embrace the values of collaboration, innovation, and sustainability. Together, we will work toward enhancing your experience here at Uttar Banga Krishi Viswavidyalaya, ensuring you have the tools to thrive as students and as future professionals in the agricultural sector.

Thank you for your hard work, dedication, and passion throughout the year. Let us continue to build on these accomplishments and make the year ahead even more successful.

Warm regards,

Prof. Nripendra Laskar  
Dean, Students' Welfare  
Uttar Banga Krishi Viswavidyalaya

## MEMORIAL

### PROSENJIT BARMAN

**D.O.B: 21.03.1994**

**D.O.D: 21.08.2024**

Ph. D. in Department of Agricultural Extension at Uttar Banga Krishi Viswavidyalaya

#### **In Loving Memory of Prosenjit Barman**

**Ph.D. Scholar, Department of Agricultural Extension**

**Uttar Banga Krishi Viswavidyalaya**

It is with deep sadness and heartfelt sorrow that we remember Prosenjit Barman, a dedicated Ph.D. scholar in the Department of Agricultural Extension at Uttar Banga Krishi Viswavidyalaya. Born on March 21, 1994, Prosenjit tragically passed away on August 21, 2024, leaving an irreplaceable void in the hearts of his family, friends, and academic community. He was not only an exceptional scholar but also a kind-hearted individual, always willing to offer support and guidance to his peers. His dedication to his work, his batchmates, and his community was admired by all who knew him. Prosenjit's legacy is one of perseverance, kindness, and a relentless pursuit of knowledge.

As we reflect on his life and achievements, we are reminded of the profound impact he had on those around him. Though he is no longer with us, his memory and the mark he left on his field will endure.

We extend our deepest condolences to his family, friends, and all who had the privilege of knowing him. May Prosenjit's soul rest in eternal peace.
