EVALUATION OF BIDS

The evaluation process of the tender, proposed to be adopted by the UBKV is indicated under this clause. The purpose of this clause is only to provide the Bidders an idea of the evaluation process that the UBKV may adopt. However, UBKV reserves the right to modify the evaluation process at any time during the Tender process, without assigning any reason, whatsoever and without any requirement of intimating the Bidders of any such change.

Criteria for Evaluation of Bids

- A **two stage** procedure should be adopted for evaluation of proposals, technical and financial evaluation. Selection of Agency shall be based on **Quality-cum-Cost Based Selection (QCBS)** criteria. This takes into account both the technical capability of the Bidder as well as the cost of services. The Technical and Financial Proposal will be given **70:30 weightage**, respectively.
- The Tender and Purchase Committee will review the technical bids to determine whether the technical bids are substantially responsive. Bids that are not substantially responsive are liable to be disqualified.
- The Tender and Purchase Committee will assign marks to the technically qualified bidders based on the technical evaluation criterion given in the bid document. The Financial bids of only those bidders will be opened who secure 50% marks in Technical Bid Evaluation.
- Conditional bids are liable to be rejected.

Criteria for Technical evaluation of Bids.

The financial proposal shall be opened for those who qualify in the Technical Proposal evaluation by securing at least 50% marks in Technical Bid Evaluation. The evaluation of the Technical Proposals would be undertaken as per the following evaluation criteria:
