An **Essay Competition** was successfully conducted on the topic **“NEP & Its Importance for Conceptual Learning and Reskilling Youth of India with Flexible Learning System”** on 15.04.2025 at **10:15 PM onwards**. The event aimed to encourage students to explore and express their views on the transformative vision of the **National Education Policy (NEP) 2020** and its role in shaping the future of Indian education.

Participants were invited to submit essays that critically analyzed the various components of NEP, such as flexible curricula, skill development, multidisciplinary approach, and emphasis on conceptual understanding. The competition witnessed enthusiastic participation from students across different departments.

Key Objectives of the Competition:

- To enhance awareness about **NEP 2020** among the youth.
- To promote critical thinking on the **importance of reskilling and lifelong learning**.
- To encourage students to reflect on the value of **flexible and inclusive learning systems**.

The submitted essays were evaluated based on originality, clarity, coherence, and relevance to the theme. The best entries demonstrated deep insight into how NEP can drive a learner-centric education system, foster innovation, and equip India’s youth with skills for the future.

The winners of the competition will be felicitated with certificates of excellence, and all participants will receive certificates for their active involvement.

The event concluded with an encouraging message by NEP-SAARTHIs, emphasizing the need for youth engagement in the nation’s educational reforms.
