

Report on NEP Help Desk in college fest under UBKV NEP Cell

A *NEP Help Desk* was organized under the initiative of the **UBKV NEP Cell** on **14th August 2025 from 11:15 AM onwards**. The main objective of this programme was to create awareness among students regarding the National Education Policy (NEP) 2020 and to address their queries in an interactive manner.

Approximately **50 students** visited the Help Desk, many of whom were attending the college fest and showed keen interest in understanding the essence of NEP. The desk provided them with clear explanations about the policy's vision, structure, and its impact on higher education and student development.

The **NEP-Coordinator** addressed the gathering and explained the importance of such interactive initiatives in spreading awareness. He emphasized that the Help Desk serves as a platform for students to connect directly with resource persons and clarify their doubts.

Throughout the programme, the **NEP SAARTHIs** actively engaged with the participants, patiently responding to their queries and motivating them to explore the opportunities provided by NEP 2020. Also we are circulating leaflets. Their efforts helped in creating a friendly and informative atmosphere, encouraging students to participate more in NEP-related activities.

The event was successful in generating curiosity, awareness, and positive response among students regarding NEP 2020. It marked another step towards strengthening the role of the NEP Cell in the university
