

Report on Poster Competition Organized by UBKV NEP Cell

A **poster competition** was organized by the **UBKV NEP Cell** on **19th September 2025 at 3:15 PM** under the guidance of the **National Education Policy (NEP) Coordinator, Prof. Subhendu Bandyopadhyay**. The event saw the active participation of **65 students** from various departments of the university, showcasing their creativity and understanding of the NEP 2020.

The theme of the competition was “**NEP 2020: Empowered Nation through a Shift towards Experiential Learning and Digitalization.**” Participants expressed their ideas artistically through posters that reflected the transformative vision of NEP 2020, emphasizing innovation, experiential learning, and the integration of digital technology in education.

During the event, **Prof. Subhendu Bandyopadhyay** addressed the gathering and explained the **meaning and importance of posters** as an effective medium of communication. He highlighted how poster presentations enhance creativity, convey complex ideas visually, and help in spreading awareness on educational reforms and national development.

The program concluded with appreciation for all participants for their enthusiastic involvement. The event not only encouraged artistic expression but also deepened students’ understanding of the goals and significance of NEP 2020.
