Dear Sirs/ Madam,

Greetings from the *Uttar Banga Krishi Viswavidyalaya*.

With great concern, I wish to bring to your kind notice that the **COVID 19 Novel Coronavirus disease** is spreading like wild fire across the globe. Thus, we need to take serious cognizance of the situation to safeguard ourselves and our families.

Experts from across the world are advising to avoid public places and mass gatherings.

Keeping in view the onslaught of disease, we need to wake up.

We in our University are handling so many Students, Teachers, Officers and Staff across so many campuses.

So, very sincerely we need to consider the do's and don'ts related to the disease so that in case there is anything to worry about we are reasonably prepared and informed to act in the right direction.

Our students, staff also mingle in public at various places, levels.

During the ensuing festival of colours, I wish all in the fraternity of the University, their family members the best and request to ensure best of safety in the greater interest of all concerned.

With warm regards and best wishes.

Sincerely yours

(C. CHATTOPADHYAY)
