**Corrigendum Notification**

In partial modification to the earlier advertisement no.UBKV/NAHEP-IG/83 of dated 14/02/2020 i.e. WALK-IN-INTERVIEW for filling up the **Computer Programmer** and **IT Support [Web Design]** positions under the NAHEP-1C Innovation Grant project it is to state that the essential qualification no. 6 of **Computer Programmer** (i.e. at least 2 years of working experience as PHP programmer ) and the essential qualification no. 5 of **IT Support [Web Design]**( i.e. at least 2 years of working experience as a Web Designer) would be read as preferred competence no. 5 and 3 respectively instead of essential competence. That is 2 year work experience is not mandatory instead it is a desirable qualification.
